## Staging of New Group Merging with Khawarij from Parachinar Exposed

Recently banned TTP fake claimed that terrorist leader Dost Muhammad along with his group from Parachinar has joined Khawarij, while actual facts are as follows:

- ▲ Dost Muhammad son of Mulla Noor, a resident of Marjan Colony, Parachinar, fled to Afghanistan with his family during 2007 sectarian violence in Kurram.
- ▲ Dost Mohammad joins ISIS Haji Dawood group to avenge relatives killed in sectarian violence.
- ▲ Dost Mohammad joined TTP in 2014 and resides in Paktia, Afghanistan.
- ▲ Dost Mohammad played key role in 2017 suicide bombing of Parachinar but is not recognized as commander.
- ▲ Dost Muhammad has always been active against Shiites of Parachinar and his long-standing relationship with Lashkar-e-Jhangvi leader Abid Punjabi confirms this linkage.
- ▲ In backdrop of recent land dispute, this fake claim is actually a failed attempt to create atmosphere of fear and unrest in Kurram.

Khawarij Noor Wali Mehsud is admitting presence of Khawarij in Afghanistan with these fake claims, so it is responsibility of Afghan Interim Government to hand over all Khawarij like Dost Muhammad to Pakistan to eliminate this turmoil.
