Tank: Khawarij Faced Major Setback, 5 Khawarij Including 3 Suicide Bombers Killed

Tank; TTP Khawarij attempted suicide bombing attacks at three locations. Security forces and police thwarted attacks and sent 5 Khawarij to hell.

Khawarij tried to attack security forces camp located in Tank but after effective retaliation, they ran away.

At the same time, four terrorists including three suicide bombers, tried to enter residential area of Tank Police Lines. Due to timely response of police, two suicide bombers killed on spot.

Security forces reached to reinforce police in time and killed one more suicide bomber and terrorist during joint operation. However, fighting courageously, three police personnel attained highest rank of martyrdom.

In third attack, 6 terrorists attacked with heavy weapons and tried to enter security forces camp. Security personnel retaliated very diligently and killed one terrorist while remaining terrorists escaped with injuries leaving their dead terrorist behind.

This failed attack by TTP in which three suicide bombers were sent to hell without causing any damage to security forces, is an attempt to spread unrest in southern districts is major setback to TTP.

TTP is trying unsuccessfully to create new drama by planning this failed attack with emergence of new fictitious organization. Process of eliminating TTP will continue, Insha Allah.
