## **Fake Pretenses & Real Facts of the Alliance of Various Factions of the Kharijites Absconded in Afghanistan**

Extortionists, terrorists and moral depravity, the Khawarij gang is suffering from severe internal turmoil due to increasing casualties at the hands of security forces, public hatred and lust for unlawful wealth. In order to keep alive their faltering organization, Khawarijs are now creating a new pretense of unity and consensus, which is actually a proof of their defeat.

Following are the real facts in the context of TTP's recent statement:

- ▲ **Leader of Jamaat-ul-Ahrar was killed by Kharijite Noor Wali for his personal ego. Jamaat-ul-Ahrar wants to take revenge for the death of its leader, but now does not have enough power, so it is forced to make a pretense of reconciliation. While the Mehsud faction of TTP is maintaining its monopoly.**
- ▲ **All factions of the Khawarijs are facing exodus at the hands of security forces, so TTP is now trying unsuccessfully to portray the ever-decreasing organization as an effective force by showing consensus among different factions.**
- ▲ **In view of the pressure of Pakistani government, the Afghan interim government is suffering from difficulties and is forced to refuse the facilitation of the Khawarijs, while in reality this so-called alliance is also a sign of the planning of Afghan Taliban.**
- ▲ **Hostile forces wants to harm Pakistan by uniting different factions of Khawarij and for this purpose Afghan land is being used. Terrorists from any party are enemies of Pakistan & Islam. Pakistani security forces are determined to destroy them with public cooperation.**

Terrorists associated with different factions of Khawarij are fighting a war of personal interests under the guise of so-called Jihad contrary to Islamic teachings, in which they are facing continuous failure. No matter what pretense Khawarijs adopt, for Pakistani nation and its security forces, they are only anti-Sharia and enemies of people, breeding on the pieces of Pakistan's enemies, whose complete elimination is their first priority, InshaAllah
