Tank; Major Success of Security Forces Against Khawarij Four Terrorists Killed, Many Injured

As a result of a joint operation by the security forces based on intelligence in the suburbs of Tank, four most wanted terrorists got killed while many were injured, arms and ammunition recovered.

According to the details, the security forces laid ambush on movement route of the terrorists and targeted them when they were going to carry out terrorist activity. As a result of heavy exchange of fire and gunfight, four terrorists were killed and many were seriously injured.

Wounded terrorists kept calling out for help to their cowardly colleagues who escaped but no one came to their help. A search operation is underway to find the injured and escaped terrorists.

Due to the improved and aggressive strategy of the security forces in Tank and adjacent areas, the terrorists are facing severe difficulties in movement and are being killed by the security forces each day, Alhamdulillah.
