North Waziristan: TTP Terrorists Secret Graves Exposed

Just like South Waziristan, TTP terrorists secret graves have been discovered in North Waziristan as well.

On night 30/31 May, confirmed reports recieved about killings of 5 to 6 terrorists during exchange of firing incidents in North Waziristan (Miranshah). After identification, bodies of two terrorists namely Gohar alias Janisar and Zir Alam alias Matay were handed over to their relatives, while dead bodies of 4 Afghan terrorists were buried secretly.

After verification of classified information and confirmation by local tribes, graves of three Afghan terrorists (Ulleya, Wali and Zmarai) were found a few kilometers away from Sherwanai area in North Waziristan.

Large number of TTP terrorists are being killed in various regions of Waziristan, while TTP remains silent about these killings and continues to bury bodies in remote areas, keeping them hidden.
