Coward Terrorists of TTP; Enemies of Innocent people

Terrorists fired on innocent locals after unsuccessful attack on police mobile in Tank, injuring 20 locals.

Grenade attack by TTP terrorist on police mobile in Tank was foiled. Many innocent people got injured in cross firing by fleeing terrorists. Security agencies are providing all possible medical assistance with support of civil administration to injured locals.

In the last few months, security forces have carried out several successful operations, in which TTP has suffered heavy casualties. After repeated failures, TTP leadership is suffering from severe depression and instead of fighting against security forces, they are targeting innocent locals.

After growing public hatred, terrorists are facing serious difficulties in local facilitation, earth is shrinking for them, soon, Insha Allah, security agencies and locals will get rid of evil of terrorism spread by Khawarij.
