## TTP's Internal Differences on the Rise

TTP internal rifts have intensified and Khawarij are at each other's throats for extortion and power.

**According to TTP close sources, rifts between terrorists of Gardha Madha and Kot Essa Khan have increased over distribution of extortion and they are attacking each other.**

**One terrorist killed while two more were seriously injured in this internal fight. At the same time, there are also reports of death of terrorist leader "Kismat".**

In their efforts to acquire illegal wealth and power, Khawarij are being targeted by security forces on one hand while on the other hand they are meeting their end in internal strife, Alhamdulillah.
