## Key TTP Commander Arrested, Large Cache of Explosives Recovered

On basis of intelligence and information divulged by arrested terrorist commander Sulaiman from Mardan, joint operation conducted by security forces in Jamrud and surroundings, huge amount of explosives and improvised explosive devices making materials were recovered.

According to details, security forces and CTD arrested key TTP commander from Mardan in a joint operation. On the identification of whom, weapons and improvised explosive devices hidden in drums were recovered from suburbs of Jamrud.

Possible terror activities in Peshawar and surroundings have been thwarted by timely joint action of security agencies.

In Khyber Pakhtunkhwa, due to better strategy, coordination and timely provision of intelligence, elimination of terrorists and their facilitators is going on rapidly and through successful joint operations, nefarious intentions of Khawarij are being destroyed, Alhamdulillah.
