War for Power and Money Under Guise of So-Called Jihad Banned TTP And Jamaat-ul-Ahrar Face Off Once Again

Jamaat-ul-Ahrar, sub-faction of TTP in its latest statement, accused Noor Wali commander of banned TTP, of murdering important commanders of Jamaat-ul-Ahrar and accusing him of greed, hypocrisy and treachery for his control over organization.

The facts behind this statement are as follows:-

- ▲ Due to effective actions of security forces and public hatred around TTP, existence of this dying organization is in danger and Jamaat-ul-Ahrar wants to present itself as an alternative to external masters.
- ▲ Sympathetic elements in Jamaat-ul-Ahrar and central TTP are looking for a justification to remove Noor Wali, who is in possession of all resources.
- ▲ Terrorists of other factions are unhappy with growing influence of Mehsud factions in so-called organization under terrorist Noor Wali and are feeling a threat to their existence.
- ▲ Statement issued by Jamaat-ul-Ahrar will be a charge sheet against Noor Wali as well as a prelude to a bloody war between Khawarij.

People of Pakistan reject Islam and anti-Pakistan Khawarij in any form and name and demand security forces to act against them without discrimination. However, ongoing war between Khawarij for power and haram wealth will play an important role in their early elimination. InshaAllah
