North Waziristan: Two Wanted TTP Terrorists Killed

Security forces have killed two terrorists after surrounding them in Dosali area of North Waziristan, while continuously monitoring their movement.

According to details, security forces targeted terrorists, when they entered pre-established cordon. Slain terrorists were wanted in several terrorist activities, weapons and ammunition were also recovered.

Due to effective strategy of security forces and strong public support, terrorists are not getting a chance to move and hide, while a large number of terrorists are being targeted by security agencies.
