North Waziristan: Khawarij Attack Foiled, Two Terrorists Injured

TTP's Khawarij attempted to target security force post in North Waziristan (Shawal). With prompt response, injured Khawarij fled leaving behind their weapons and equipments.

Search operation is going on in area to find Khawarij

TTP's cowardly facing continuous failure and increased pressure from absconding terrorist leadership in Afghanistan, terrorists are suffering heavy losses at hands of security forces.
