Global Support for Pakistan's Stance Against Khawarij and Fake Explanatory Statements of Banned TTP

Terrorists, extortionists and corrupt Khawarijs are under severe pressure from their masters after defeat on every front. After international support of Pakistan's position against the so-called Jihad of Khawarij, Terrorist leadership is forced to make fake claims due to severe confusion.

In the context of fake narrative of TTP real facts are as follows:

- ▲ **TTP's presence on Afghan soil and India's anti-Pakistan facilitation is a fact and all proofs have already been provided at international forums.**
- ▲ **TTP is a threat to Afghan Interim Government. Afghanistan is also realizing this because they don't want to be alone on international front and want solution for TTP as soon as possible.**
- ▲ **TTP fake statements & India's support is itself an open acceptance of Khawarij's long-standing ties and funding.**
- ▲ **Outlawed TTP's fake statements are meant for continuous external fundings on one hand and flattering the Afghan Taliban on the other because TTP Khawarijs know that they cannot survive alone.**

Recent statement by Khawarij is tantamount to admitting defeat, Pakistani people reject them and demand that the government of Pakistan continue to expose the true face of Khawarij and their facilitators to the world so that they can be sent to hell as soon as possible.
