Different Factions of Khawarij Mobilized Against Terrorist Noor Wali Mehsud

In hunger of power, forbidden wealth and unnatural lust, various factions associated with TTP are not only parting ways from central leadership in hate, but also by mobilizing against terrorist leader Noor Wali Mehsud and establishing links with other terrorist organizations including Daesh.

Authentic sources and a close associate of the terrorist leader Hameed ullah alias Gauhar have confirmed these facts. The details are as follows:

- ▲ Terrorist leader Hameedullah alias Gauhar hates the central leadership of TTP and Aleem Khan Khushali group and is deeply disappointed by their misbehavior.
- ▲ Many of Gauhar's associates have deserted at the instigation of the central leadership, leaving him in deep disarray and he is plotting the assassination of his fellow rebels along with other groups.
- ▲ Terrorist leader Gauhar is in constant contact with the leadership of Jamaat-ul-Ahrar and is planning to derail the central leadership including terrorist Noor Wali Mehsud.
- ▲ Leader of Jamaat-ul-Ahrar Umar Mukram Khorasani, terrorist Gohar, Hafiz Gul Bahadur group and terrorist Malang are building ties to form a common front against the central leadership of TTP.

The affiliation of terrorist leader Gohar and Jamaat-ul-Ahrar is an important development, as the nexus of Jamaat-ul-Ahrar and Daesh is a vivid reality. The recent developments are a nightmare for the central leadership already facing escalating internal turmoil and is a significant progress towards the elimination of this terrorist organization.
