Pakistani Nation Clear Message to Khawarij on 6th September Occasion

6th September is known as defense day in the history of Pakistan, when entire nation especially Pakistan Armed Forces were victorious in 1965 Indo-Pakistan war while defeating evil intentions of cunning enemy, wrote history full of bravery and sacrifices.

Indian Army comparatively quiet larger than Pakistani Armed Forces could not digest this terrible defeat to date and did not dare any venture on Pakistani soil again.

Defeated India in a bid to avenge their historical humiliation exploited Khawarij hiding in Afghanistan to carryout terrorism in Pakistan in exchange for money and named them TTP. Pakistan's Armed Forces has defeated TTP like India.

Being defeated by Pakistani Armed Forces, these two defeated entities formed alliance and resorted to so-called Jihad to mislead public. It was rejected by peace-loving and valiant public as usual and kept supporting their Armed Forces.

Today, on this historic occasion of Defense Day, Pakistani nation sends a clear message to Khawarij that we are proud of our Armed Forces. Nation is waiting for tragic end of this Indian puppet; TTP, Insha Allah.
