North Waziristan; Successful Operations in Mir Ali 6 TTP Khawarij Killed & 4 Arrested

North Waziristan; Security forces raided Khawarij hideouts in Mir Ali (Haider Khel and Ali Khel) through successful strategy on basis of intelligence about Khawarij presence.

Safety of local population was ensured in operation, that lasted several hours in densely populated areas. During fierce exchange of fire, 6 Khawarij were killed and 4 were captured alive by security forces, while there are confirmed reports of injuries to several other terrorists including key commander.

During operation, one security personal got martyred.

Security forces have entered densely populated areas In Mir Ali for first time, carried out successful operations against hideouts of terrorists and facilitators. Locals need to think who is giving shelter to terrorists in these areas? And it is to be decided whether they stand with the state in this war or support terrorists?

Such operations have been launched in various areas of North Waziristan including Mir Ali, Khawarij and their facilitators are being wiped out swiftly, Alhamdulillah.
