TTP Leadership Admits Defeat due to Heavy Loss of Life at the Hands of Security Forces

Due to recent security operations, Khawarij are facing heavy casualties while coward Khawarij are refusing to face security forces. Under these circumstances, corrupt and extortionate leadership of TTP under severe shock is forced to try unsuccessfully to lure brave, zealous and patriotic security personnel, which is clearly a confession of defeat by terrorist Noor Wali Mehsud.

Following are some facts in context of recent statement of Khawarij Noor Wali:

- ▲ **In last 36 hours, security forces have killed 23 terrorists in various operations, after which TTP Khawarij are in deep despair and refusing to confront security forces.**
- ▲ **Those who do real Jihad, whole nation respects and honors them and is benevolent to them, while no one picks up bodies of killed Khawarij and their faces bear witness to their eternal doom and fuel for hell.**
- ▲ **Extortionists, evildoers and disgusting people like terrorist Noor Wali Mehsud are infact Fitna Khawarij, about whom Holy Prophet (SAW) warned 1400 years ago and ordered to kill them.**
- ▲ **Security forces are carrying out duty of Jihad in accordance with Islamic teachings for which they have full public support.**

People of Pakistan and security forces reject in strongest possible terms statements issued in shock by Khawarij Noor Wali and reiterate their determination to continue to fuel hellfire with these Khawarij. InshaAllah
