North Waziristan; Another Major Success of Security Forces Against Khawarij, 4 Khawarij sent to Hell

In a successful intelligence based operation in Haider Khel, a suburb of Mir Ali, security forces killed four Khawarij.

According to the details, security forces showed professionalism on receiving information about presence of terrorists in a densely populated area, ensured safety of locals and using modern resources, killed 4 Khawarij in a fierce exchange of fire.

Slain terrorists were involved in extortion, mercenary and various terror activities, whose killing is a major achievement of security forces.

Presence and possible facilitation of terrorists in local population is a question mark. Locals have to play a role in getting rid of terrorism. On the other hand, strict action against facilitators is also need of the hour.

InshaAllah, operations will continue until complete elimination of Khawarij and their facilitators.
