The Reality of So-Called Groups Joining the Banned TTP

TTP is propagandizing the joining of new groups day by day while in reality majority of those joining TTP are notorious criminals. Today in Balochistan it was announced that the so-called Shah Ismail Shaheed group has joined the TTP, which is a small group of dacoits and extortionists.

TTP is trying to revive its dead movement by propagandizing the joining of new groups to save its tarnished reputation, the state and the people are united against terrorism and these so-called groups including TTP and their handlers. The fateful end is near.
