North Waziristan: Another blow to the Khawarij Two Khawarij Killed by Security Forces in Datta Khel

Security personnel deployed in North Waziristan (Datta Khel) timely identified movement of TTP Khawarij and professionally surrounded them.

During fierce exchange of fire, two wanted TTP Khawarij were killed, weapons and ammunition were recovered. All security personnel remained safe during operation.

Killings of Khawarij in North Waziristan after Bannu has inculcated panic in anti Islamic TTP leadership hiding in Afghanistan and is afraid to accept these deaths. Khawarij who are fighting for their survival with fake statements and propaganda are now badly exposed, Alhamdulillah.
