## South Waziristan; Successful Operation by Security Forces Huge Cache of Explosives Recovered

On basis of intelligence, security forces captured large amount of weapons and explosives while conducting operation on the outskirts of New Raghzai and Reshwara, South Waziristan.

**According to details, security forces raided said area on basis of intelligence about presence of weapons and explosive materials thus recovering light weapons, magazines, bullets and large amount of heavy weapons rockets, which Khawarij were planning to use against security forces and innocent locals.**

The integrated intelligence network and public support of security forces in South Waziristan is playing an key role in identifying hideouts and safe houses of Khawarij and security forces are inflicting heavy casualties and financial losses on Khawarij. Insha Allah, this will continue until complete elimination of Khawarij.
