Hangu Terrorist Attack: TTP Enemy of Development and Prosperity

For the past 18 years, MOL, Oil and Gas Company has been successfully working on oil and gas projects in Hangu and surroundings, providing opportunities for employment, development and prosperity to local populace.

Terrorists attacked two different installations of MOL Company in Hangu last night, security personnel, having fought bravely thwarted the attacks. 4 Frontier Constabulary personnel and 2 security guards got martyred, while several terrorists got injured in exchange of fire.

TTP Khawarij have proved once again, that they are enemies of prosperity and development of tribal areas, for which, they can go to any extent. Public has come to know their reality and they are working together with security agencies to eliminate them.
