Khyber: Tirah (Sandapal) Security forces conducted operation on basis of intelligence about presence of terrorists. 3 Khawarij killed while three other injured. However, four security personnel including an officer got martyred while fighting with great bravery and valor.

Sandapal region is very difficult and densely forested. Terrorists took shelter in dense forests and were planning to carry out terror attacks in Peshawar and its suburbs, whose timely elimination was inevitable.

In Khyber district and its suburbs, Khawarij have recently suffered heavy casualties on hands of security forces. Grip against terrorists and their facilitators is being tightened.

It is also worth mentioning here that rehabilitation of locals back in Khyber Rajgal is ongoing due to efforts of security forces. It is feared that this process may be disturbed due to terrorists facilitation.

The endless sacrifices of security forces have clear proven that we will eradicate menace of terrorism. Terrorists and their facilitators will be brought to terrible end very soon, Insha Allah.
