North Waziristan: Ehsanullah Ehsan's Revelations After Khawarij's Attack On Innocent Workers

Yesterday in Shawal, Khawarij targeted innocent labors with improvised explosive device in which 11 labors got martyred. Silence of Khawarij on this heinous act actually indicates efforts to fabricate new propaganda.

Khawarij are cursing their known terrorist leader Noor Wali Mehsud while former spokesperson of TTP, Ehsanullah Ehsan linked this heinous act to Noor Wali Mehsud's traditional hypocrisy.

According to Ehsanullah Ehsan, TTP's attack is actually response to non-payment of extortion money by the contractor working on development project while asking terrorist Noor Wali Mehsud what was fault of eleven families whose loved ones were martyred.

These voices and revelations from within TTP reinforce the fact that Khawarij have nothing to do with Islam and this group is basically enemy of locals that can go to any extent to achieve their interests.

Nation is united against Khawarij who will have be held accountable for their atrocities against public.
