North Waziristan: Reality of Terrorist Leader Zakir

Fake claim by Khawarij regarding merger of terrorist leader Zakir along with associates from North Waziristan, real facts are as follows:

- ▲ Terrorist Tajmanullah alias Zakir son of Madajan is a resident of Miran Shah and is associated with TTP for past several years.
- ▲ Terrorist Zakir escaped to Bahrain in 2017 after Operation Zarb Azab and came to Pakistan in December 2022 and joined TTP Gohar group.
- ▲ Terrorist Zakir is now hiding in Afghanistan while previously been active in Bora Khel, Thal and Dosali areas.
- ▲ Terrorist Zakir is involved in facilitating extortion, terrorist attacks, suicide bombings and suicide attacks.

Khawarij's plot of new groups merger has been badly exposed and like all previous statements, this statement is also bogus and based on lies.
