## **Bajaur Suicide Attack; Result of Nexus of Khawarijs Hiding in Afghanistan**

Bajaur suicide attack was carried out by TTP and Daesh Khorasan Khawarij who are hiding on Afghan soil. This khawarij nexus has been confirmed by United Nations in its recent report.

TTP, involved in this barbaric attack on religious community, is now trying unsuccessfully to cover up its actions by using fake statements. The main motives behind this attack are:

- ▲ **Khawarij know that Jamiat Ulema-i-Islam consists of those who stand with religion and denounce chaos spread by Khawarij.**
- ▲ **These are the people who support state of Pakistan, its constitution and Islamic ideology, while real war of Khawarij is with them.**
- ▲ **ISIS is operating with TTP in Afghanistan and both are carrying out suicide attacks on mosques and religious congregations in Pakistan.**
- ▲ **All of these suicide terrorists are linked with TTP, there are confirmed reports as well.**

If Khawarij think that they will continue to carry out such attacks secretly from Afghanistan, then if necessary, this war can be carried out on Afghan soil and in any case, this cowardly attack will be revenged.
