## Lies and Hypocrisy of TTP, Involved in Arms and Human Trafficking Exposed

In recent statement, TTP denied use of Afghan citizens for terrorism and issued fake claim of buying modern American-made weapons from Pakistan, while real facts are as follows:-

- ▲ **With US withdrawal and disintegration of Afghan government, Afghan security personnel went into hiding along with weapons.**
- ▲ **Suffering from severe financial difficulties, those security personnel sold advanced weapons in Afghan black markets which has now become a formal business.**
- ▲ **Recent UN report has identified organized business of illegal arms sales in Afghanistan.**
- ▲ **TTP too is taking advantage of this situation and using modern weapons against Pakistan.**
- ▲ **At the same time, TTP is using poor and vulnerable Afghan citizens for terrorism. In last 6 months, 60 Afghan civilians have been killed in various operations.**

Afghan Interim Government should prevent illegal trade of modern weapons on its territory, access of terrorist groups like TTP to these weapons and use of these weapons by Afghan citizens against Pakistan otherwise Pakistan has the right to act unilaterally.
