TTP's Accepting Killings of Khawarij in Peshawar (Hasan Khel), TTP Reluctant to Name Killed Terrorist Commanders

On 15th November, security forces killed five TTP Khawarij of Shenay group in a highly successful operation in Hasan Khel while on 16th November arrested a key terrorist and extortionist mastermind.

Terrorist Samiullah alias Shane

Public question Khawarij why they are reluctant to mention names of slain terrorist commanders Samiullah alias Shenay and Salman.

Security forces have wiped out entire tashkeel of Khawarij on timely provision of intelligence, aggressive strategy and very efficiently disposing these Khawarij.

Of course, security forces deserve credit for their professionalism and for this highly successful operation. Insha Allah, process of eliminating these Khawarij will continue in future as well.
