Khawarij Hiding in Afghanistan Resorted to Fake Videos to Show Their Presence in Pakistan

TTP Khawarij hiding on Afghan soil are under severe pressure and are forced to use false tactics to show their presence in Pakistan.

Arrested Khawarij divulged during interrogation that TTP leadership had issued instructions to its leftover tashkeels to make specific videos showing temporary check posts on deserted roads, aerial firing, showing security forces posts from a distance and billboards at hospitals or shops so that Khawarij can prove their presence in Pakistan through them.

Rejecting Khawarij hypocrisy, nation asks:

- ▲ **Who were terrorists killed in bomb blast in a local hotel in Khost province of Afghanistan a few days ago?**
- ▲ **Are recent fatwas of Dar al Afta Afghanistan and statements of important Afghan officials fake?**
- ▲ **Are Khawarij leadership present in Pakistan with their families?**
- ▲ **Did United Nations not confirm presence of Khawarij in Afghanistan in its recent report?**

Handful Khawarij are running for their lives in Pakistan and are being sent to hell by security agencies on daily basis. But there is need for Afghan interim government to take concrete steps to eliminate hideouts of Khawarij to ensure end of this chaos.
