## Nation Clear Message to Khawarij on Occasion of Independence Day

On one hand where nation is bowing before Almighty Allah for bestowing blessing of freedom on 76th Independence Day of Pakistan, on the other hand is giving clear message to enemies of Pakistan and peace especially Khawarij that this nation knows how to defend its freedom and sovereignty while completely rejecting lies and hypocrisy of Khawarij.

Today, on this historic day, nation asks Khawarij few questions:

- ▲ **Apart from personal gains, religious ignorance, extortion, suicide attacks, vandalism of mosques and pulpit and killing of innocent Muslims, what have Khawarij given to this nation while their families are still living a free life in this country?**
- ▲ **Why is this country on path of development and prosperity not liked by Khawarij and chaos of terrorism being spread at behest of foreign masters?**
- ▲ **Why claimants of so-called Jihad have not raised their voices for oppressed Kashmiri Muslims and appear to be flattering India?**
- ▲ **Why are Khawarij unsuccessfully trying to mislead Pakistanis after recent fatwas of Afghan Interim Government and ban on Afghan nationals joining anti-Pakistan attacks?**

Entire nation especially tribal strongly hate Khawarij and on this historic day, they express their pledge that Insha Allah nation stands side by side with state and state institutions for complete elimination of terrorism and every chaos spread by Khawarij from this country.

**Happy Independence Day to Nation**
