South Waziristan: Security Forces' Major Breakthrough Against Khawarij 8 TTP Khawarij Sent to Hell

As a result of a concerted and comprehensive operation by security forces on basis of intelligence in Shakto area of South Waziristan, 8 Khawarij of Hafiz Gul Bahadur group were killed and many others were injured. Huge cache of modern automatic light and heavy weapons, ammunition, IED making equipment and explosives were recovered.

According to details, on timely identification of movement of terrorists, security forces successfully targeted them by laying ambush on their route, in which 8 Khawarij were killed on spot and many others were injured.

Killing of such a large number of terrorists is certainly a big blow for Khawarij and security forces have demonstrated their professional skills and crushed nefarious intentions of terrorists.

Due to successful and aggressive operations of security forces in South Waziristan, Khawarij are facing severe casualties and financial losses, which is an important development for establishment of peace in the region. Insha Allah, process of eliminating these enemies of peace will continue in same way.
