## Swat (Buner): Death of Terrorist Leader Salim Alias Rabbani and Traditional Hypocrisy of TTP

Buner: After the killing of the notorious terrorist Saleem alias Rabbani in a highly successful operation by the security forces, the hypocritical leadership of TTP is forced to give fake consolation to its misguided and ignorant pawns, who are constantly disappointed.

Here are some facts in this context:

- ▲ **The terrorist leader Saleem entered the Pakistani soil with the intention of terrorism, that is why he was brought to a terrible end**
- ▲ **This is the reason why many evil Khawarijs like cowardly extortionist and terrorist Noor Wali Mehsud, Gul Bahadur, Qari Amjad and Sarbakaf Mohmand are hiding in Afghanistan to save their lives**
- ▲ **Now why the cowardly leadership of TTP is admitting this death while they are always afraid to admit their deaths in Afghanistan**
- ▲ **On the other hand, the security forces have proudly acknowledged their two martyrs, but no one was injured in the encounter with the terrorists. Don't lie and admit the facts**

If the cowardly leadership of Khawarij has the courage, then they should dare to come to Pakistan. security forces will be waiting for them. So that they can meet with their partner Salim alias Rabbani soon in the hell.
