Nefarious Conspiracy of Outlawed TTP to Target Peaceful and Progressive leader

North Waziristan: In Mir Ali (Zarki) TTP target killers martyred most sincere and progressive Malik Dawood.

Martyr Malik Dawood was considered as one of the few valuable elders whose efforts to establish peace in the tribal districts were appreciated at all levels and the tribes looked at him with great respect.

Malik Dawood was a member of Mossaki Committee and played an important role in resolving regional issues. Which was certainly disturbing Khawarij who were looking to target him.

Terrorist Waseem Yahya and terrorist Qasim are nephews of Malik Dawood who martyred two sons of Malik Dawood three years ago. According to local sources, both are involved in this target killing.

Due to continuous successful operations of security forces, confused Khawarij commander is targeting progressive leaders to destroy regional development and prosperity, which has unveiled public enmity.

Public are standing with state institutions against Khawarij TTP and morale of public cannot be lowered by these cowardly actions, tribes will not let sacrifices of tribal notables go in vain, Insha Allah.
