Dera Ismail Khan: Killing Spree of Khawarij Continues Four Khawarij Sent to Hell in a Successful Operation

Dera Ismail Khan; A successful information-based operation by security forces in Kot Zafar Baladasti, suburb of Kolachi. Four Khawarijs sent to hell. Arms, explosives, communication equipment and motorcycle recovered.

According to the details, security forces surrounded the hideout upon information about the presence of terrorists of TTP Gandapur group in Kot Zafar area and three Khawarij were sent to hell in exchange of fire.

With apt strategy, security forces blocked all the escape routes and killed one more terrorist who was trying to escape. As usual, the hypocritical leadership of TTP is unable to recognize its dead terrorists.

Security forces in Dera Ismail Khan and adjoining areas are in constant pursuit of the terrorists with professionalism and Khawarijs are neither getting a chance to hide or escape. InshaAllah, the killings of Khawarij will continue.
