Khawarij's Misleading Propaganda & Facts Regarding Azad Kashmir

Khawarij, who depend on India for survival, in their recent statement have openly declared their support for India by justifying the failed attempt by some evil elements to worsen the situation in Azad Kashmir and to focus their evil eyes on Azad Kashmir while facts are as follows:

- ▲ All basic rights are available to Kashmiri people, elected representatives are present in legislative assembly, courts are established and law enforcement agencies are staffed by locals.
- ▲ Rumors of deployment of FC in Azad Kashmir is totally fake, FC has been deployed only for security reasons at Pak-China power projects.
- ▲ Members of so-called Awami Action Committee in Azad Kashmir want to achieve their nefarious goals under the guise of public issues at the behest of Indian masters.
- ▲ Khawarij are facing severe shortage of manpower due to successive killings of their terrorists and want to induct brave Kashmiri youths into their ranks to fuel terrorism.
- ▲ Wonder why Khawarij have not raised slogan of jihad against Indian atrocities in Occupied Kashmir till date.

People of Pakistan, including their Kashmiri brothers, strongly reject baseless propaganda of pro-India Khawarij because they are well aware of the reality of these Khawarij and understand well that they are the tools of Pakistan's eternal enemy. People of Pakistan demand their security forces to continue the elimination of these enemies of peace.
