North Waziristan: Target Killing of Haji Sher Muhammad Wazir TTP's Coward Attack on History and Traditions of Tribals

Haji Sher Muhammad Wazir was grandson of Faqir of Epi, an important figure in freedom struggle against British imperialism. He was striving for peace and development in the region in accordance with history and traditions of his family

Yesterday, TTP terrorists targeted and martyred Haji Sher Muhammad Wazir in Mir Ali

Haji Sher Muhammad was one of the few highly respected and intelligent people who strove for harmony and brotherhood among tribes and was in touch with the state as well as TTP leadership for establishing peace.

TTP's martyring Haji Sher Muhammad Wazir is actually an attack on great tribal history and traditions, which aims to achieve its nefarious goals by spreading unrest in the region. Locals are aware of terrorists conspiracies and are trying for terrible end of terrorists with the help of security forces keeping their peaceful outlook.
