## Defeated Khawarij's Use Old Videos to Terrorize Tribals Exposed

Defeated Khawarij are suffering from severe financial difficulties, lack of local facilitation and public hatred have tried unsuccessfully to use videos of innocent tribals termed as spies of security agencies to terrorize locals.

Khawarij, who are committed to lies and hypocrisy, released an old video on social media today showing that some spies of security agencies have been arrested and killed. While actual facts are as following:

- ▲ Gulab Khan son of Abdul Qadir Khan was martyred on 31 October 2022 faked as spy.
- ▲ Tahir son of Fazal Rahman was brutally martyred on 30 December 2022, who also had nothing to do with security agencies.
- ▲ Jameedullah son of Gulab Khan resident of Waziristan, was martyred on 23 January 2023, also faked as spy.

Khawarij terrorist activities against valiant and patriotic tribals clearly proves their enmity. Hatred against Khawarij is increasing among locals and they are standing with security agencies for their early elimination.
