## **Acknowledging Presence of Outlawed TTP on Afghan Soil and Declaring War Against its own Sub Group Jamaat-ul-Ahrar**

For some time now, news of ongoing rifts between central leadership of TTP and Jamaat-ul-Ahrar was hot, while death of Sarbakuf Mohmand and murderous attack on Noor Wali Mehsud also indicates towards this enmity. Banned TTP was constantly denying these reports.

**In its recent statement, TTP has not only admitted its presence in Afghanistan, but by declaring war against Jamaat-ul-Ahrar and its like-minded groups, it has badly exposed ongoing turmoil among Khawarij for acquisition of power and ill-gotten wealth**

**According to statement, terrorist leader Noor Wali Mehsud, while admitting presence of Jamaat-ul-Ahrar terrorist leader Umar Mukarram Khorasani in Paktika province and use of Ghazi media, has shown his rejection of so-called manifesto of TTP and decided to take action against him.**

**By resorting to hypocrisy and lies, anti-Shariat terrorist Noor Wali Mehsud is unsuccessfully trying to discredit himself from killings of innocent people and destruction of mosques, while all these heinous crimes were committed on his orders.**

Successful operations of security forces in Tirah Valley and adjoining areas have destroyed Khawarij and they are hiding while grip is being tightened against terrorists and facilitators.
