Tank: Another Big Blow to TTP Key Terrorist Commander Killed in Security Forces Successful Operation

On basis of intelligence security forces conducted swift operation by surrounding Khawarij in Madi village, adjacent to Tank.

In a very successful operation that lasted for several hours, key commander of TTP Gandapur group was killed while several others escaped with injuries.

Slain terrorist commander was involved in several extortion and target killing cases in the area. Search operation is under progress in the area to find fugitive terrorists.

Security forces have crushed Khawarij in Tank and adjoining areas. Khawarij are not finding any place to hide while they are being targeted by security forces in large number.
