Bannu: Cowardly Attack of TTP Khawarij on Police Deployed on Anti-Polio Campaign, Two Terrorists Killed in a Timely Response

Khawarij of TTP once again attacked policemen assigned to protect polio team in the suburbs of Bannu and ran away on retaliatory fire.

As a result of search operation, two terrorists were killed. However, two policemen were martyred while fighting in the line of duty.

One terrorist was killed in the exchange of fire during pursuit of terrorists. While another terrorist entered a local house and took women and children as hostages. Security forces and police devised very careful and organized joint operation, sent terrorist to hell and all residents of house were safe.

TTP's Khawarij targeting of polio teams and use of local women and children as human shields shows their enmity towards locals. The people not only want their complete elimination but are also playing their role in their elimination along with the security forces.
