Banned TTP's Brutal Conspiracy to Kill Peace-Loving Pashtun Leaders

Today, TTP martyred Malik Shah Jahan, a very sincere and progressive leader from Makin (South Waziristan) after abduction.

Shaheed Malik Shah Jahan was considered among few worthy leaders, whose efforts to establish peace in tribal districts were appreciated at all levels. He was looked upon with great respect among tribals, which was certainly disturbing for Khawarijs, who were trying to target him.

TTP aim to push Pashtuns into darkness of unrest and backwardness, is involved in brutal conspiracy to kill respectable tribal leaders who are trying to establish peace.

Valiant tribals hate TTP and are standing with state to teach a lesson to murderers of innocents including Shaheed Malik Shah Jahan.
