- A few months ago, TTP tried to target terrorist Gohar in an IED blast in Afghanistan, but he escaped and has gone in hiding to save his life.
- Terrorist Gohar and the newly appointed leader of Noor Wali Mehsud in North Waziristan, Hafiz Ehsan, are at loggerheads over extortion issues, as terrorist Gohar is adamant about extortion in his area.
- Terrorist Gohar is holding Maulvi Ikhlas Yar, a terrorist associated with Noor Wali group, responsible for the conspiracies and propaganda against him.
- According to confirmed reports, terrorist Gohar is suffering from severe mental stress, while facing serious financial difficulties after reduction in extortion and is planning to collect huge extortion from the contractor working on Shamiri Dam.
