## Misleading Statements of Banned TTP on Domestic Affairs and Real Facts

Outlawed TTP continues to try to incite public against state by criticizing important national issues, misguided statement on boat accident in Greece is also a link in this chain.

**Hypocrite TTP leadership sympathizes with Pakistani youth on one hand, while targeting them and economic development projects for terrorism on the other hand.**

Who has given terrorist leadership the right to speak about public, when they have crossed all limits in anti-nationalism. State is trying to solve its economic problems with public cooperation. Complete elimination of outlawed TTP is first priority.
