TTP, Afghan Taliban and Ehsanullah Ehsan's Anti Pakistan Statement Exposed

Yesterday, article by former TTP spokesperson Ehsanullah Ehsan was published in Indian newspaper Sunday Guardian, in which he has once again unsuccessfully tried to make baseless accusations against Pakistan for supporting ISIS.

Sunday Guardian is a propaganda newspaper linked with Indian secret agency RAW, which is notorious for anti-Muslim agenda and tool of Indian secret agency and has already been exposed in Indian Chronicles.

Following are some facts in this context:-

- ▲ Ehsanullah Ehsan, who is a murderer and exiled terrorist, should first explain where he is secretly publishing such propaganda articles and why he is hiding his location.
- ▲ Publication of an article in a notorious Indian newspaper exposes Ehsanullah's links with India and its intelligence agencies.
- ▲ Ehsanullah Ehsan calling Daesh a Pakistani proxy is very absurd, because the whole world considers it American proxy and there is no ambiguity about its establishment and ideology.
- ▲ Ehsanullah Ehsan criticizes TTP on one hand and insults Pakistan Army on the other hand to justify his views.
- ▲ Fake accusation of Pakistan supporting ISIS is a failed attempt to reduce pressure on Afghan Interim Government to take action against TTP.

ISIS has targeted innocent Pakistanis in several terrorist attacks in Pakistan. In which TTP - ISIS nexus is evident to all.

People of Pakistan reject fake propaganda of murderous and exiled terrorist while pay tribute to their security agencies for indiscriminate operations against all terrorist organizations that are hostile to peace.
