DI Khan: TTP Suicide Attack Foiled

After terrible end of 40 terrorists in Sararogha and surroundings, followed by numerous killings of terrorists in Gomal, Tank and DI Khan, TTP Khawarij are in clutter and forced to commit suicide attacks to hide their failures.

Today, TTP suicide bomber tried to target security forces vehicle in Chekhan area of DI Khan. Suicide attack was thwarted with prompt response, while a few personnel were slightly injured.

Suicide attacks are a clear admission of TTP's defeat on ground and exposing its so-called Jihad and anti-Sharia ideology. Despite these unsuccessful suicide attacks, TTP terrorists will not find any place to hide and security agencies will continue to wipe them out with support of peaceful locals.
