## **Swat: Highly Successful Operation by Security Forces Three TTP Terrorists Killed**

On the basis of intelligence, in hilly area of Banjot, Swat, security forces were monitoring movements of terrorists and surrounded them after they entered the trap.

Three terrorists got killed in fierce encounter and exchange of fire, while search operation is underway to find remaining terrorists. As a result of firing, a local person got martyred and a police personal got injured.

**Every attempt of terrorists to obstruct peace and development of Swat and adjoining areas will be dealt with iron hands. Peace loving people of Swat hate TTP terrorists and stand by security agencies for prosperity of region and their bright future.**
