TTP Khawarij Traditional Silence After Attacking Innocent Public in Dera Ismail Khan

Outlawed TTP resorted to deception and propaganda on social media in a futile attempt to claim even small incidents and aerial firing as successful operations.

On the contrary, if there is any threat to Afghan Interim Government due to any terror activities or if there is fear of public backlash, these hypocritic Khawarij either do not accept responsibility or use name of fake organization called Tehreek Jihad.

Following are some examples of hypocrisy of these Kharijites in recent past:-

- ▲ **TTP Khawarij first claimed responsibility for suicide blast on Peshawar police line mosque but later discredit themselves from incident to avoid strong public backlash.**
- ▲ **Dozens of innocent civilians were martyred in suicide attack on gathering of Jamiat Ullema e Islam in Bajaur. which was joint venture of Daesh - TTP nexus, but these Khawarij also discredited themselves from this attack.**
- ▲ **After martyring and injuring many innocent civilians in suicide attack near Tank Adda Dera Ismail Khan, these Khawarij have again adopted traditional hypocrisy and kept a criminal silence on this attack.**

Pakistan nation are well aware of the fact that safe havens of these Khawarij are in Afghanistan, who are involved in all terror activities and targeting innocents in Pakistan. Pakistani nation and security forces are trying to eliminate these Khawarij and very soon they will meet their end, Insha Allah.
