North Waziristan; Successful Operation by Security Forces 2 Khawarij Sent to Hell

Security forces timely responded on confirmed reports about presence of terrorists in Malkan (Razmak) village of North Waziristan and killed two Khawarij. Weapons, ammunition and communication equipment were recovered.

Security forces surrounded Khawarij with systematic strategy. Terrorists took women and children as hostages and were using them as human shields. Security personnel ensured safety of hostages and successfully neutralized two terrorists.

Slain terrorists were wanted for gathering information against security forces and their involvement in several terrorist operations.

Security forces are targeting Khawarij with better tactics and public cooperation and they are hiding. Tribal locals are praising security forces for their successful operations and standing by their side.
