## **Bajaur: Khawarij Suicide Attack on JUI (F) Convention**

Bajaur: Khawarij suicide attack on Jamiat Ulema-e-Islam (F) convention; large number of innocents were martyred and injured. Local, provincial administration and security agencies are using all available resources to provide timely medical assistance to injured.

**Cowardly attack is indication of TTP-ISIS nexus, which has been already highlighted in recent UN report.**

**Khawarij are violating sanctity of mosque and its pulpit, while an unsuccessful attempt is being made to spread fear and unrest by targeting peaceful and innocent people.**

Whole nation asks these Khawarij what kind of Jihad is this? And where is this brutality allowed in Islam? TTP will certainly discredit themselves from their heinous act, but nation is well aware of Khawarij hypocrisy and is waiting for their tragic end.
