North Waziristan; Identification Process of Two Khawarij Killed in 5th May Security Forces Operation Completed

On 5 May, security forces ambushed and killed two Khawarij in a fierce exchange of fire near Azizkhel Dam, a suburb of Razmak (North Waziristan).

According to local sources, Identification process of killed terrorists has been completed. Details are as follows:

Terrorist Taza Gul

Terrorist Sahib Ullah

- ▲ Terrorist Sahib Ullah alias Angar son of Madawas Khan resident of Koh Pari Tehsil Dosli, District North Waziristan
- ▲ Afghan terrorist Taza Gul alias Dady/ Laziri who is resident of Helmand Afghanistan.

Daily killings of Afghan terrorists by security forces is a clear indication of hollow claims of Afghan Interim Government and is significant progress made in killing TTP.

Pakistanis once again demand Afghan government to take practical measures against TTP Khawarij. Otherwise, it is hoped that Pakistani security organizations will continue to target TTP sites in Afghanistan.
